NHD CONTEST CHECKLIST

Are you getting ready for a competition at any level? Remember these things:

- Your project!**
 - **Documentary:** bring it in multiple formats—if it won't play, it can't be judged.
 - **Exhibit:** bring your exhibit and materials to make any fixes—transportation can be rough.
 - **Paper:** bring a copy to refer to for yourself.
 - **Performance:** bring props if you have them.
 - **Website:** bring yourself—you should have submitted everything weeks ago.

- FOUR** printed copies of your **annotated bibliography** and **process paper**. Every competitor should bring 4 copies; although papers and websites are not required to bring these materials, it is recommended.

- Check wisconsinhistory.org/nhdcontests if you are competing at a regional run by the State office or the State contest. Parking information, tips, and the full schedule will be available. KNOW the schedule.

- Confidence and a smile. Today is about you and your work! Be proud.
