

**Archaeologists Qualified to Work Within the Boundaries of a Human Burial Site
and Qualified to Excavate Human Burials**

Last Updated: September 2024

As required by Wis. Stats. § 157.70(1) (i) and HS 2.04(6), the following list contains archaeologists approved by the Director of the Wisconsin Historical Society to excavate human burial sites and work within the boundaries of human burial sites. These archaeologists have agreed to provide consulting services to prospective clients.

Other professional archaeologists in Wisconsin meet the qualifications set out in Wis. Stats. § 157.70(1) (i) and HS 2.04(6) but are not currently providing consulting services and as a result their names are not provided below. Please contact SHPO staff if you need information on specific individuals.
