SOCIETY

Happy Holidays from the Wisconsin Historical Society! We've created this scavenger hunt you can do in a safe, socially distanced way—from your car or on a walk. We encourage you to get out and find all the things you love about your home or adoptive state. Bring your family or just the dog! Take pictures of you and your finds and share them on social media. **Be sure to tag us with [#wisconsinhistory](https://twitter.com/wisconsinhistory)**
