

## Old World Christmas Visitor Tips

- **Dress for the weather!** The event will happen rain or shine.
- **Traveling light will make for an easier stroll.** Wagons and strollers are sometimes tricky to maneuver on snowy paths and do not always fit in our historic buildings.
- **Bring cash for Chili** and warm drinks being served in Caldwell Hall.
- **Have your cameras** handy for Holiday family photo opportunities.
- **Purchase tokens at Ramsey Barn** for an 1870 Holiday Shopping experience at Thomas General Store.
- **Make a plan.** There is a lot going on in the village, if you should get separated from your group, take advantage of some clear areas that serve as Reunion Points for guests. Plan to meet at Four Mile Inn (in the Village) or Ramsey Barn (at the main entrance) to reunite with your group.
