QUALIFIED SKELETAL ANALYSTS
Last updated December 2022

As required by Wis. Stats. and HS 2.02(12) and 2.04(6) (b) the following list of individuals have been approved by the Director of the Wisconsin Historical Society to analyze human remains.

The names on this list are individuals who asked to have their names removed from the “posted list” of skeletal analysis because they do not wish to do contract work at this point in time. They still are “qualified” per the above laws and Admin procedures.
