Historic Preservation - Public History Division

Wisconsin Historic Preservation Database GIS Data Request Form

Geographic datasets are provided in ArcGIS shapefile format in the Wisconsin Transverse Mercator projection (WTM 83/91). We do not release the locations of sites held on federally recognized tribal lands. If you are a tribal organization seeking this information, please contact Amy Wyatt at 608.264-6506.

1. Choose Shapefile Subscription or Customized Data Request

Shapefile Subscription

Shapefile subscriptions are available at the regional level and for basic units of government the size of one county or smaller. For regions, updated shapefiles are sent at 3 month intervals following the original request. For county level and smaller areas, updates are sent at 6 month intervals.

Region (list counties included): _____

County: _____

Municipality: _____

Civil Town: _____

Custom Data Request

Custom requests are for large areas usually defined by a project scope. A map, ArcGIS shapefile, or written description must be provided for the area of interest.

Map attached (paper or electronic) ArcGIS shapefile (contact Felipe Avila at felipe.avila@wisconsinhistory.org for instructions)

County: _____

Municipality: _____

Civil Town: _____

Township: _____ Range: _____ E W Sections: _____

Township: _____ Range: _____ E W Sections: _____

Township: _____ Range: _____ E W Sections: _____

2. Choose Data Sets

SHAPEFILE SUBSCRIPTIONS include the standard data fields highlighted on the left.

CUSTOM DATA REQUESTS may include extra data fields chosen from the column on the right.
