Student Worksheet

Name _____

1. List the geographic names you found:

2. Locate these places on your map, using your textbook or other historical atlases for World War II. (1943, specifically)

3. Color-code your maps to indicate Allied- and Axis-controlled areas and neutral countries.

4. Complete the following questions:
 - What type of plane was used to transport the nurses?

 - What, other than transportation of personnel, was this type of plane used for?

 - Explain why the nurses' plane landed in the locations it did (for example, why did the plane land in the Azores instead of Spain?).

 - How did the war itself affect the route used to transport these nurses to India?

 - What considerations, other than the war itself, would have determined the route and landing sites for this journey?
