

## DIRECTIONS & PARKING AT THE STATE EVENT

Like any large city, parking can be a challenge in the downtown area and it will be best to arrive at the event early. Most NHD attendees will prefer to park in the State Street/Campus Ramp or Grainger Hall and walk to the event locations. There are also several other parking options in the area.

This year it is **especially important** to arrive early as the Crazy Legs Race (20,000 + runners) will be starting near the Capitol the same morning. We encourage all who plan to park on campus to **park early** and refrain from moving their vehicle unless necessary.
