Notes on creating History Day schedules

- Please allow judges 15 minutes for each entry in the exhibit, paper, and web site categories and 20 minutes for each entry in the performance and documentary categories. Exact times can be adjusted depending on the time of your school event.
- You may wish to add columns for a teacher's name, entry number, or materials needed for this entry (most often used for documentaries (e.g. electrical outlet, VCR/TV) and exhibits (table/floor set-up, electrical outlet))
