

NATIONAL HISTORY DAY IN WISCONSIN!

GET YOUR STUDENTS INVOLVED!

“

National History Day taught me valuable research skills, how to be self-reliant, interview techniques, writing a quality thesis and the impact 500 words can have.”

Students in grades 6 to 12 enjoy a wide range of experiences that enhance their academic abilities and personal development. National History Day (NHD) is a terrific combination of scholarship, hard work, imaginative problem solving and fun.

NHD is a project based learning program in which students:

- 1 Pick a topic of interest
- 2 Conduct primary & secondary research
- 3 Create an exhibit, documentary, website, paper, or performance

We offer **classroom support**, teacher **materials**, and research **tools** for students!

NHD in Wisconsin offices are located in the Wisconsin Historical Society in Madison.

2018 COMPETITION DATES (COMPETITION IS OPTIONAL)

REGIONAL COMPETITION

February 24 - March 24 | Various Locations

STATE COMPETITION
